

TASTING NOTE

2018 GREAT WESTERN CABERNET SAUVIGNON

One of the greatest things about the Great Western wine region is its ability to successfully grow a broad range of grape varieties. Shiraz may be the regional hero, but Cabernet Sauvignon from the area can lay almost equal claim.

Best's Great Western Cabernet Sauvignon is a fine example of the Great Western Regional style; showing rich, plush, dense fruits.

TECHNICAL DETAILS

Region	Great Western, Victoria
Grape Variety	Cabernet Sauvignon
Alcohol	14.5%
Winemaker	Justin Purser

TASTING NOTES

Colour	Dense and opaque dark red with a bright garnet hue.
Bouquet	Big, bright varietal cassis and rhubarb aromas mingle with hints of cocoa, tobacco and cashew nuts.
Palate	Plush and dense fruits delicately framed by velvety tannins. Fresh and lively but layered and long.
Cellaring	This youthful wine is a great expression of the variety in Great Western. It is possible to enjoy this wine now with food, but it will soften and gain complexity over the next 5-20 years. The perfect accompaniment to braised beef served with polenta and seasonal mushrooms.
Vintage	The vineyards set off to a great start in spring, but dry conditions throughout spring triggered a devastating frost on 4 th November 2017. The grapes on the lower vineyards were lost, but those on higher elevations were largely unaffected. Apart from a few warm days in January the conditions throughout the season were excellent and perfect ripening weather continued long into Autumn.
