

## TASTING NOTE

# 2020 LATE HARVEST MUSCAT

In response to consumer demand, Best's have recreated our once popular Late Harvest Muscat. This wine will be available only to our Cellar Door customers. The fruit comes from Best's St. Andrews vineyard in Lake Boga which is part of the Swan Hill wine region. The vines that the fruit for this wine come from were planted in 1981.

This wine is made in an aromatic style with a slurpy sweetness and it is best drunk whilst it is young and fresh.

## TECHNICAL DETAILS

<b>Region:</b>	Swan Hill, Victoria
<b>Grape Variety:</b>	Muscat Gordo Blanco
<b>Alcohol:</b>	12.5%
<b>Winemaker:</b>	Justin Purser

## TASTING NOTES

<b>Colour:</b>	Bright pale straw.
<b>Bouquet:</b>	A very lifted nose of orange blossom, rose petal and ginger spice.
<b>Palate:</b>	Luscious flavours of pears, honeysuckle, gingernut biscuits and a fresh floral finish.
<b>Vintage:</b>	A hot and dry growing season meant the vines ripened quickly and crops were lower than average. Sufficient water supply ensured the grapevines remained in good health and a cool February ensured all the natural acidity was retained at harvest. The grapes had bundles of concentrated flavour and lots of vibrant acidity.
