

MOUNT LANGI GHIRAN

Trevor Mast 1948 - 2012

The Trevor Mast Tribute Wines have been produced to celebrate the working life of one of the legends of the Australian wine industry. A true winemaking visionary, pioneering Australian cool climate viticulture and in doing so producing some of the world's greatest Riesling and Shiraz wines.

In recognition of Trevor's contribution, Best's Great Western and Mount Langi Ghiran Vineyards are proud to release a 2012 Best's "House Block" Vineyard Riesling and a 2005 Mount Langi Ghiran "No Where Creek" Shiraz. All proceeds from sales will go to the Lovell Foundation, a charity dedicated to raising funds for younger onset dementia sufferers.

Sandi Mast commented after learning of the Trevor Mast Tribute Wines; "The family feels honoured by this tribute to Trevor, a fitting combination of the two varieties for which he was best known, made by the two award winning wineries closest to his and our family's hearts. It was also quite serendipitous that I had the privilege of presenting the inaugural Trevor Mast Trophy at the Royal Melbourne Wine Show to Viv Thomson for his 2011 Shiraz that went on to win the Best Victorian Wine Trophy and The Jimmy Watson Trophy".

Mandy Lovell, President of the Lovell Foundation, has been overwhelmed by the generosity of the wine industry. "It has been a privilege to have met Trevor Mast prior to his death earlier this year and to have worked with Sandi Mast who is now on the Lovell Foundation committee. Funds raised from the sales of these wines will assist the Foundation to conduct a Scoping Project with those diagnosed with younger onset dementia and their families, to further clarify their needs" commented Mandy.

The wine was first released at a charity event for the Lovell Foundation conducted by Andrew Caillard, MW, in Melbourne earlier this month where 20 dozen were sold at an average price of \$650 per dozen.

The wine is now available through Bests Wines Cellar Door and Mount Langi Ghiran Cellar Door for \$200 / 6 pack (3 Riesling & 3 Shiraz), details below.
