

TASTING NOTE

2022 YOUNG VINE PINOT MEUNIER

This unique wine comes from our 'Young Vine' plantings of Pinot Meunier which were established in 1970- a century after our "old vine" plantings and grown from cuttings of those original vines.

Although eminently drinkable now, previous examples of this wine prove that it will age gracefully for many decades if cellared correctly.

TECHNICAL DETAILS

Region:	Great Western, Victoria
Grape Variety:	Pinot Meunier
Alcohol:	13.0 %
Winemaker:	Jacob Parton / Simon Fennell

TASTING NOTES

Colour	Medium red intensity with a ruby hue.
Bouquet	Pronounced bouquet of red cherry and cranberries, coupled with blood orange citrus and rose petal.
Palate	Intense crunchy red fruits of crushed strawberries and raspberries, underlined with orange peel and candy musk flavours. Soft chocolatey tannins that coat the mouth, and fresh acidity that leaves a long finish.

Good to drink in the short term but it should age well for 7-10 years. Try it with seared tuna.

Vintage	A cool season with near perfect growing conditions right through to harvest. Adequate winter and spring rainfalls set the wines up to burst into life and sustain beautifully, while balanced growth throughout the summer. Autumn was ideal with little rainfall and warm conditions to ensure the grapes matured gracefully.
