

2024 SYRAH BLANC

This wine is made with 100% Shiraz grapes from our Sugarloaf Creek vineyard located in Great Western. Great Western produces some of the best varietal Shiraz' in Australia, this white Shiraz wine is a twist on tradition.

The parcels of fruit for this wine were carefully selected, looking for premium quality and flavour. They are located at higher altitudes at Sugarloaf Creek to maintain good acid drive and the vines were leaf plucked to allow sun exposure on the fruit to generate more flavour.

The grapes were carefully harvested to minimize damage to the fruit and were immediately placed in the press. Meticulous wine making from start to finish allowed minimal colour extraction, while producing a wine of high quality and drive.

Technical Details

Region	Great Western, Victoria
Grape Variety	Shiraz
Alcohol	13.0 %
Winemaker	Jacob Parton & Dom Bolton

Tasting Notes

Colour	Pale intensity with gold green hues.
Bouquet	A vibrant aroma of white/yellow nectarine, apricot and spiced pear. Delicate white florals lied underneath the fruit
Palate	The palate follows the bouquet with yellow nectarine and peach, followed with apricot nectar and white blossom. A fuller bodied white wine with intense flavour throughout, with nice acid and citrus driving the palate, making the wine finish fresh and crisp.
Pairing Cellaring	Best paired with a light white meat such as chicken or fish. Best drunk in the short to medium term but will keep for 3-5 years.
Vintage	Vintage 2024 began with a very wet spring. Rain and cool temperatures were the theme up until Christmas. The rain slowed down in January and was followed by very warm weather across February. The warmer end to vintage promoted intense fruit characters in the finished product.
